

## Check the Label

**Fair Trade lyrics by:**

**Tune:** South of the Border

South of the border, down Mexico way  
That is where farmers toil,  
So we can have café today  
But they don't get fair prices  
For the coffee they grow -  
So please read the label  
It's important to know.

If the label says "Fair Trade"  
On the coffee you brewed  
Your conscience is clear because  
The farmers did not get screwed.  
So always remember to take a good look  
If the label says "Fair Trade"  
Then you're off the hook.

Ay, ay, ay, ay, ay, ay, ay, ay  
Ay, ay, ay, ay, ay, ay, ay

When you purchase your next pound  
Please take a good look  
And if it says "Fair Trade"  
Then you're off the hook.....olé
