

Cocoa Beans

Fair Trade lyrics by:

Michael Komba, 27, and Dartanian Lewis, 11, Casa Maria Catholic Worker
Milwaukee, Wisconsin

Tune: Jingle Bells

Chorus:

Cocoa beans, Nestle's mean, Hershey's doesn't care.
World's Finest and Côte d'Ivoire, there's child labor there. (2X)

M&Ms is nuts, if they think we'll buy their stuff,
We want more fair trade, so the workers will get paid.
We don't want them to be, in dire poverty.
We'll give the kids much support and more publicity.

CHORUS

Divine chocolates good, they paid them as they should.
Workers' cooperatives, it's a great way to live.
What's wrong with companies, ADM and Sees?
They make us always want to frown, let's take them all down! CHORUS
