FOR CUBA AND AFGHANISTAN TRAVELERS ONLY: After traveling to these destinations, we find that many participants make new friends they want to keep in touch with; however, the postal system between the US and Cuba/Afghanistan is unreliable. In the past, we have connected former participants with new ones in order to share their experiences, make new friends and deliver or mail a letter in Havana/Kabul. Are you willing to have your phone number given to a past participant so they can contact you regarding a friendly delivery? yes no
